Meals On Wheels Atlanta, one of Senior Citizen Services of Metropolitan Atlanta’s programs designed to **support senior independence through meals, shelter, education and community** was created to meet the nutrition and human contact needs of homebound seniors in the metropolitan area in 1970. Last year, **nearly 95,000 meals** were delivered to hundreds of homebound seniors. Recipients receive a visit with their meals by a volunteer or staff person, assuring that they receive more than just nutrition. To serve each senior better, **Meals On Wheels Atlanta** has entered into formal collaborations with multiple service providers across the metro area, thereby minimizing duplication and maximizing the benefit of each charitable donation.

To allocate every dollar possible to direct meal provision, organizers of the event require that every expense associated with the dinner, reception and pre-event festivities be donated or underwritten by sponsorships or silent auction proceeds. Since the first *A Meal to Remember* in 1988, more than \$4 million has been raised to support **Meals On Wheels Atlanta**.
